Application for Mathematics and Computer Information Sciences Division Endowed Scholarships (Incoming Freshman)

Name: _____ SSN: xxx-xx-_____ or IWU ID: _____

Email: _____ Phone Number: _____

Address: _____

High School Attended: _____

The scholarship below is available to prospective and current students in the Mathematics and Computer Information Sciences Division. In order to be eligible for the scholarship, the following criteria must be met and included:

1. Have officially applied to IWU for admission for the following fall, expressing interest in a major offered through our division
2. One letter of recommendation from a high school teacher/counselor
3. A high school GPA of 3.5 or greater (with AP weighting, high school GPA's tend to be higher than for college)

☐ Rittenhouse Music, Math & Science Scholarship (average award is $1700, based on funding availability)

1. The recipient must be majoring in Music, Mathematics, or Science
2. Demonstrate financial need as determined by the Financial Aid Office
3. Students(s) must have a minimum GPA of 3.0 on a 4.0 scale
4. The faculty of the Division of Natural Science, Division of Mathematics & Computer Information Sciences and Division of Fine Arts, Department of Music, will recommend the scholarship recipient from their respective area
