WHEREVER YOU ARE.

What started in 1920 in Marion, Indiana has grown to include multiple locations throughout three states. Since 1985, when Indiana Wesleyan University (IWU) began its focus on educating working adults, enrollment has grown to more than 15,000. Through all those years and growth, Christian values and support for one another have remained constant. No matter where you attend classes—Indiana, Kentucky, Ohio, or online—if you're a student at Indiana Wesleyan University, you're part of the IWU community. Welcome.

Change your life.
Change the world.

For more than 25 years, our flexible formats have helped busy people turn full schedules into fulfilling lives. Our rigorous academics have transformed ambitions into professions. And our energized Christian community has given students the chance to regroup and reclaim their purpose.
