#### STANDARDS OF CONDUCT

Indiana Wesleyan University, as a Christian university, is a community joined together to further academic achievement, personal development, and spiritual growth. Together the community seeks to honor Christ by integrating faith, learning, and living, while its members' hearts and lives mature in relationships with Jesus Christ and each other. With this purpose, it is desired that each member of this community is either committed to Christ or has respect for a Christian perspective.

Living in a community of believers is a special privilege. This quality is emulated by demonstration of God's grace. IWU, therefore, places great value on the following relationship characteristics: 1) Being dependent and accountable to one another; 2) Serving one another in the community, nation, and world; 3) Supporting one another, especially those experiencing personal trials; 4) Resolving problems through loving confrontation; and 5) Restoring relationships that have been hurt.

Faith in God's Word should lead to behavior that displays His authority in our lives. The following statements exhibit the University's continuing desire to integrate faith and action in a relevant manner; however, these positions are not set forth as an index of Christianity.

Scripture teaches that certain attributes such as love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control are to be manifested by members of the Christian community. By contrast, Scripture condemns such attitudes as greed, lust, needless anger, an unforgiving spirit, discrimination, and prejudice. Furthermore, certain behaviors are expressly prohibited by Scripture. These include dishonesty in all forms (lying, stealing, cheating), impurity in speech (gossip, slander, profanity, vulgarity), sexual impurity (premarital sex, adultery, homosexual behavior) and substance abuse.

Indiana Wesleyan University takes a conservative approach to its expectation of students regarding the use and/or abuse of substances such as alcohol, illegal drugs, prescription drugs, tobacco and other legal drugs. Additionally, being in the presence of alcohol (e.g. at a night club, bar, party, off campus house, etc.) goes against the behavioral expectations of IWU. The possession and/or use of alcohol, illegal/legal drugs, and tobacco, in any form, are prohibited. Prescription drugs should be used according to their prescribed purpose and dosage and should not be shared or sold.

Scripture teaches the stewardship of God-given resources. Therefore, gambling and any other exchange of money and goods by betting or wagering is not allowed while a student an Indiana Wesleyan University. For the same reason, we encourage the University community to boycott lottery sales and similar operations.

Corporate worship aids in community building and support of the body of Christ. We gather as a community at special times for nurture and admonition in the things of God. These activities include chapel, fall and spring summit, and other university-related events. Chapel is required for all resident students, as well as full-time commuter students under 23 years of age with classes before and after chapel.

Scripture teaches that all actions (work, study, play) should be performed to the glory of God. The University endeavors, the refore, to be selective in choices of entertainment and recreation, promoting those which strengthen the body of Christ and avoiding those which would diminish sensitivity to Christian responsibility.

In violation of the Scriptural teaching concerning personal dignity and moral purity, individuals are exploited and degraded by immoral and inhumane action of the pornographic industry. Therefore, possession and distribution of such materials is unacceptable behavior.

All Indiana Wesleyan University students are expected to keep the rules of the University from the time they are accepted for admission to the University until they either graduate or officially withdraw from school (this includes vacation times). Students at the time of their application for admission agree to live within the framework of the University's student code of conduct. Any violation of behavior standards of the University would be sufficient reason for placing the student on citizenship probation, suspension, dismissal, or in some instances, withdrawal from school.

### COMMUTER STUDENTS ARE EXPECTED TO KEEP THE ABOVE RESIDENT STANDARDS WHEN ON CAMPUS OR IN THE PRESENCE OF RESIDENT STUDENTS

Students who do not live on campus are expected to abide by the community standards listed in the *Student Handbook* while on campus or in the presence of resident students.

Each student is responsible to be familiar with regulations concerning the residence hall, regulations published in the *Student Handbook* and other official University publications and to abide by them consistently. A student, by accepting admission to Indiana Wesleyan University and signing below, agrees to be governed by the regulations of the University regardless of personal preference.
