What are the admissions requirements and deadlines for being generally admitted to the University? Are there any specific admissions requirements for this program? If there is a website that lists this information please include that below.

Admission Requirements for admission to the BSW program are as follows:

- Proof of high school graduation or GED certification.
- Original transcripts from all previous college or university study at regionally accredited colleges or universities or an institution accredited by the Association for Biblical Higher Education.
- Prior completion of at least 45 transferable credit hours from a regionally accredited college or university or an institution accredited by the Association for Biblical Higher Education is required before the student is eligible to start a bachelor core program.
- A maximum of 40 hours of credit may be earned through the prior learning assessment process toward the required 45 credits.

Admission to the Social Work Program

The admission of students to the Social Work program is a formal process separate from the initial declaration of social work as a major. The process includes successful completion of the [SWK-170](#) Introduction to Social Work course and completion of 45 credit hours with a cumulative grade point average of 2.5. Admission is granted after students successfully complete an application, compile three reference letters, and complete a department interview. Any unfavorable decision may be appealed by following the grievance procedures on file in the department and student handbook.

3. MORE INFORMATION

Anything else you would like for us to publish on our transfer agreement for Sinclair students interested in transferring to your university? Where can students find more information about your university and transferring in general?

Transfer Credit Policy

Students may transfer in credit for the following core courses: [PSY-150](#), [SOC-150](#), [SOC-152](#), [SOC-210](#), [ECO-205](#), [POL-200](#), [BIO-106](#), [BIO-106L](#), [MAT-305](#), [SWK-170](#), [SWK-342](#), [SWK-343](#), [SWK-335](#), [SWK-336](#), and [SOC-482](#).

- Only courses in which a "C" was earned will transfer.
- The student must complete at least 30 semester hours of the core courses through IWU.
- The Social Work program does not grant social work course credit for life experience or previous work experience.

Admission to Field Placement

After all major coursework is complete, each student is required to complete a Field Placement in a social service agency. This placement site will be arranged by the Director of Field Experience in collaboration with each student, aiming to align with the student's professional goals and development needs. As such, each student will complete a Social Work Field Placement Application along with an updated resume and personal statement. Students will submit their field placement application to the Director of Field Experience. Field Placement options are discussed and a tentative plan is created for Field Placement based on the student's interest and needs.

There are two Field Experience courses, SWK-366 and SWK-466, which are taken concurrently with two Field Seminar courses, [SWK-370](#) and [SWK-470](#). Students are to complete all foundational and core courses as pre-requisites to taking SWK-366 and [SWK-370](#), which are pre-requisites to SWK-466 and [SWK-470](#). While there are two field experience courses, they are completed in one agency setting over a period of approximately six months.

Continuation in the Social Work Major

The social work faculty reserves the right to request the withdrawal of any student whose academic performance, social fitness, and mental or physical health make it inadvisable to continue in the program. All decisions regarding continuation in the program are based on the recommendations of the Social Work full-time faculty.

Students who receive a grade of less than a "C" in any course required for the social work major must repeat the course. Students must maintain an overall grade point average of 2.5 and a 2.7 in the major. To graduate, a student must maintain a grade point average of 2.7 in the major and a cumulative grade point average of 2.5. Students who fall below this grade-point average will be placed on probation per the CAPS catalog. Failure to raise the grade point average to 2.5 overall and 2.7 in the major could then result in dismissal from the program.
