

# South Hall Construction

**ALERT**

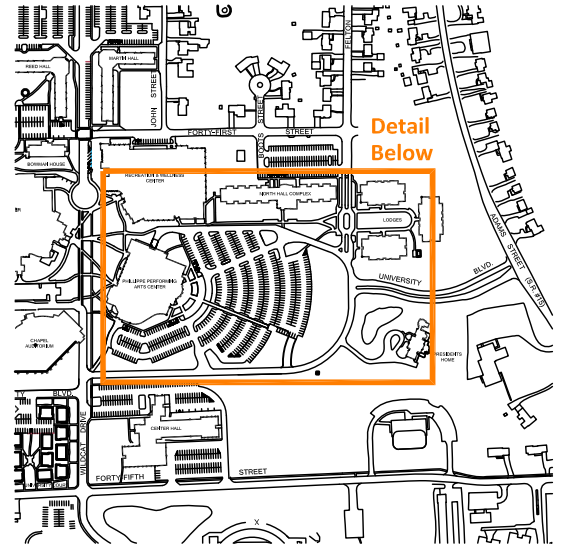

Beginning April 27th, 2009, construction will begin on the new residence building, South Hall. The building will mirror North Hall Complex. Construction crews will be installing fencing to contain the construction activity beginning on Wednesday, April 29th.

Some parking spaces, indicated by the detail below, will be unavailable during construction. Please make plans to park elsewhere during construction.

Additionally, the North East entrance to the PPAC parking lot will be closed. Please utilize the South entrances, indicated in the detail below.

Thank you for your patience.
