

The Freshman Perspective

The Freshman Orientation Newsletter for John Wesley Scholars

In a week, you'll be making your way to Marion to embark upon your undergraduate career. Can you believe it? This issue of the FP consists mainly of information about IWU that you will hopefully find useful as you make this transition. Below is advice from upperclassmen about moving in and items to bring that you will need during your first year here. After that is the New Student Orientation (NSO) schedule, some information for parents, and then a few pages filled with things about IWU's campus that you might not know. Finally, we have a Scholar Spotlight and the last of the Featured Freshmen. Our hope is that this can become a valuable resource for you as you move to and get settled at IWU. Feel free to contact the office at 765.677.1799 if you have any questions. We're very excited to have each of you join the Honors College community here at IWU and can't wait to get to know you. Enjoy the final week of summer!

Welcome to IWU!

Tips from upperclassmen:

1. Get a lot of sleep the night before move in, because it's very tiring.
2. Don't worry too much about how your room is arranged on the first day. It's better to get with your roomie later and decide together how you want the room to be, but do that when you have time, not when you're initially trying to get everything in.
3. If and when you get homesick - DON'T GO HOME. Stay on campus as often as you can during your first semester. If you go home on the weekends you will lose valuable opportunities to deepen relationships, and it will only compound the homesickness in the long run. It may be hard, but stick with it and things will get better.
4. Don't go to Baldwin right at 5:00 the first week or so. There will be a huge line. If you wait until 5:30 or 5:45, there will still be food and probably no line at all.
5. Don't bring everything you own! The rooms aren't tiny, but there probably isn't room for all of your possessions. Choose those pieces of clothing and things you will use most often and bring them.
6. Even though you should be spending time getting involved on campus, don't forget to call your family! Although you're pumped about making new friends, your family still misses you. Call them.

Items provided by IWU for each room: 2 beds, 2 desks with chairs, 1 dresser, telephone, blinds
That's it! Anything else you'll want during this year needs to be brought from home.

Items to Bring:

First, the basic things:

- Clothes (don't forget hangers, a hamper, a drying rack, laundry soap, and dryer sheets)
- Bedding
- Towels
- Toiletries
- Computer and accessories
- School supplies
- Trash cans
- Any additional furniture you're planning on putting in your room (think small)
- Miscellaneous electronics (TV, lamps, fan, refrigerator)
- Dishes, cups, and silverware

Now, additional suggestions from those in the know:

- 3M hooks to hang posters or pictures on the walls
- Quarters... lots and lots of quarters
- Extra storage (e.g., plastic drawers, small baskets, and over-the-door hooks)
- Cleaning supplies (dish soap, dish towels, cleaning wipes, paper towels)
- Power strip
- USB jump drive (1 or 2 GBs)
- Extra ink cartridges
- Basic medicine (aspirin, Band-Aid type bandages, Roloids/Pepto Bismol, cough drops, antibiotic ointment)
- "Egg carton" type mattress pad
- Small sewing kit
- Tools (hammer, screwdriver, tape measure, duct tape, etc.)

THIS SCHEDULE IS TENTATIVE AND ABBREVIATED. SOME OF THE TIMES, EVENTS OR LOCATIONS MAY CHANGE. THIS INFORMATION IS PROVIDED ONLY TO GIVE YOU AN OUTLINE OF THE WEEKEND'S PLANNED ACTIVITIES. THE HONORS COLLEGE WAS PERMITTED TO SHARE THIS SCHEDULE WITH YOU ONLY UNDER THIS UNDERSTANDING.

New Student Orientation Schedule

NSO at IWU is slated for Labor Day weekend, August 29 - September 1, 2008. A jam-packed weekend of purposeful fun is being planned to assist new students in their transition to IWU.

All single first-time, full time first year students under the age of 21 are required to attend the program. A letter outlining Orientation was provided at summer registration or is mailed to every accepted student, but if you have not received this information, please contact the Student Development Office: (765) 677-2204 or e-mail them at nso@indwes.edu

Resident students may check into their assigned residence hall starting 10:00 AM on Friday, August 29 (or for those few who have to register for classes on Friday, the halls are expecting you to check in after 10:00 am on Thursday).

Meals are provided for all new students starting Friday, August 29 in the Baldwin Dining Center. In a separate packet, your parent(s) are being invited to a Parent Orientation program. They are being encouraged to take you out to dinner on Friday night (because the cafeteria isn't big enough for an additional 1000 parents), but the cafeteria will be open in case your parents are not here, or in case they elect to eat there with you.

- ◆ Hampton Inn, Marion
765-662-6656
- ◆ Holiday Inn Express, Gas City
765-674-6664
- ◆ Best Western, Gas City

- ◆ Days Inn & Suites, Marion
765-664-5840
- ◆ Super 8, Gas City
765-998-6800

Tips for parents:

1. Don't unpack everything in your child's residence hall, because he or she will likely rearrange the room within the first couple weeks of class.
2. The earlier you can arrive at IWU the better! Fewer families will be trying to move in to the residence halls and the lines will be much shorter for NSO sign-in and at campus offices. You'll also have time to pick up those last-minute items before orientation begins.
3. Don't be concerned if you don't hear very much from your child for the first couple of days he or she is here. The schedule is jam-packed and all the students are kept very busy, but I assure you that there are people taking care of them.

We suggest taking your student to a locally-owned restaurant on Friday. Some good choices for lunch are:

Noah's
Marion (38th & Washington)
Payne's Coffee and Custard
Gas City (Near Best Western)

And for dinner:

The Icehouse
Marion (On Kem Road near North Park Mall)
The Mill
Marion (On Washington, north of downtown)
Mi Pueblo
Marion (On SR18, just east of downtown)

Jackson Library

Middle floor: Reference and Periodicals

The middle floor contains numerous references and journals to which IWU subscribes. The resources on this floor have to remain in the building and cannot be checked out. The middle floor is also where you can get Interlibrary Loan (ILL) materials. If you need a book or journal article that IWU does not have, you can request it through ILL and the staff at Jackson will work to get it for you from another university. This is a great tool and you are encouraged to take advantage of it.

Basement: The Instructional Resource Center (IRC)

The IRC offers a wide variety of media resources, including the rental of digital video and still cameras. Art majors use the IRC for their visual projects and it has a wide selection of children's books for education majors. You can also download recordings of chapels you've missed.

Top floor: Circulation

The top floor of Jackson has materials students, faculty, and staff can check out and take with them from the library. There are both fiction and non-fiction texts available to borrow. This floor also has a great deal of space for students to study, either individually at desks or in group study rooms.

Post Office	Student Center, 1st floor, Carmin circle entrance	Have to mail anything through the USPS or campus mail or need to check your mail
Print Shop	Maxwell Center, 1st floor, south side	Have special printing needs, such as posters or signs, or need a project bound for class
Student Development	Student Center, 2nd floor, above the Post Office	Need to get a parking pass, would like to start a mentoring relationship, want to talk to someone about residence life or would like more information about student organizations
University Information Technology (IT)	Student Center, 1st floor, near the Post Office	Need to get something fixed on your computer or are having problems with your e-mail or the internet
Writing Center	Elder Hall, 2nd floor	Would like someone to proofread your paper before you turn it in

Campus Police

We have some great men and women working in the Campus Police department. They are always available if students need help, anything from unlocking a university building to jump starting a vehicle. They work with the Marion Police Department to keep campus as safe as possible for everyone, but there are some things you can do to increase your personal safety:

- Don't prop the exterior doors of your residence hall open.
- Always lock your room and your car.
- Keep your keys with you and don't lend them to others.
- Report suspicious behavior or incidents to campus police.
- Don't walk alone, especially late at night! Campus police are happy to serve as escorts.

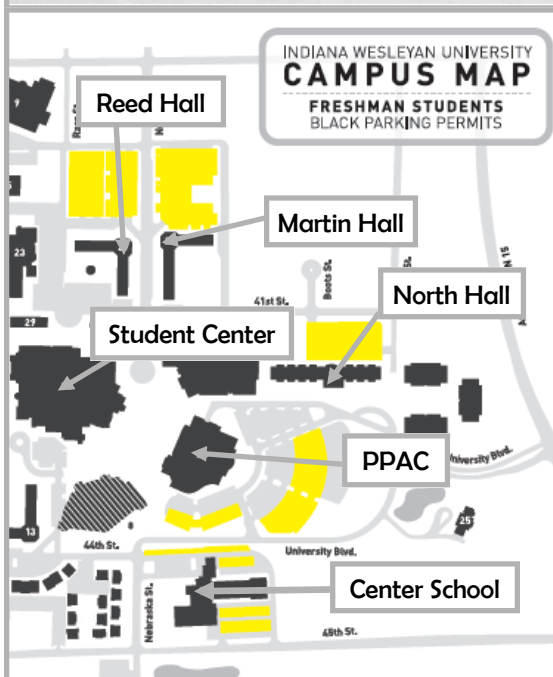

Campus Police can be contacted through any campus phone at **x4911** or by calling **765.677.4911** from your cell phone.

Information was taken from <http://cas.indwes.edu/Student-Life/Campus-Police/>

Parking

Each student planning to have a car on campus must register it with Student Development and purchase a parking pass. When you go to register, be sure to know your car's make, model, year, and license plate number. Parking passes at IWU initially cost \$40, but you'll receive a new pass free of charge each year you're at IWU. The areas where freshman can park on campus are shown in yellow on the map below. If you do not purchase a parking pass or do not park in the designated areas, you will be ticketed and required to pay a fee. More details can be found on IWU's website.

IWU recently implemented a comprehensive recycling program. Each dorm now has containers for students to recycle plastic and glass. Most offices also have receptacles for your paper, so be sure to properly recycle the items you use.

TEXTBOOKS

You can find out what books are required for each of your classes on IWU bookstore's website. To get there, click on "Academics" on the Wildcat Page and then click on "IWU Bookstore." If you'd like, you can order your books now and have them waiting for you when you get to campus next week.

The Wildcat Page

wildcat.indwes.edu is a great resource for IWU students. There are links to virtually all the departments on campus and a great deal of information is provided about IWU in general. You might consider making this website your homepage, because you'll likely be visiting it regularly.

Meet Melissa...

NAME: Melissa Morgan

AGE: 19 YEAR: Sophomore

MAJOR: Business Administration

MINOR: Accounting or Finance

HOMETOWN: Okemos, MI

FAVORITE
VERSE: Jeremiah 29:11 'For I know the plans I
have for you,' declares the Lord,
'plans to prosper you and not to harm
you, to give you a future and a hope.'

Favorite aspect of the Honors College so far:

I love the community, I feel like everyone really cares about each other.

What do you love about IWU?

I love the people!

What are you involved in on campus?

Cross country, indoor track, and outdoor track and this year I will also be on the Honors College Senate.

What do you do in your free time?

I like to play cards with my friends, go to fun get-togethers, watch movies in the dorms, and hang out in the Student Center.

Do you have any advice for incoming freshmen?

If you are overwhelmed, ask someone for help, people are one of the greatest resources we have!

Favorite Drink at McConn

Melissa enjoys:

Iced coffee with
whipped
cream

Do you want to work on campus this year?

You can see which areas of campus are hiring student staff at <http://wildcat.indwes.edu/studentjobs/>. More jobs will be posted as the semester approaches, so be sure to check that website regularly. If you have already secured a job on campus, you can fill out your tax forms in the Commons when you register for NSO next Friday. In order to complete the paperwork, you'll need a photo ID and your Social Security card or birth certificate.

1 Corinthians 2:9 "No eye has seen, no ear has heard, no mind has every imagined the plan that God has prepared for those who love him."

Hobbies/Interests:

Playing the piano, being involved in church youth group, scrapbooking, volunteering at the hospital

Best High School Experience:

Making new friends who helped me learn about them and myself

What I Am Most Looking Forward To In College:

Meeting new people and being challenged in new ways

What Ice Cream Flavor Best Describes My Personality and Why:

Lemon- it isn't brilliantly colored and doesn't stand out in the ice cream parlor, but the taste is refreshing

Favorite Quote:

"The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather in a lack of will." - Vince Lombardi

Hobbies/Interests:

Soccer, basketball, swimming, ping-pong, hiking, camping, working out, jogging, listening to music, watching movies, hanging out with friends, and photography

Best High School Experience:

The friendship and fellowship that I gained with my friends especially in sports are priceless. Also, winning the soccer IISAC (Indonesian International Small School Activity Conference) two years in a row were the highlights of my sports career, especially to add the fact that we won the first one without any senior high students (grade 11 and 12) except for me (grade 11).

What I Am Most Looking Forward To In College:

To receive God's amazing plans for my future and to absorb as much knowledge as possible.

What Ice Cream Flavor Best Describes My Personality and Why:

I would say that I'm a Vanilla. Vanilla beans can grow well in any condition, especially in a tropical place such as Indonesia. This shows that I can adapt easily to different environment. Vanilla flavor is not plain. In fact, it's actually a colorful, dramatic flavor. I'm a risk taker who relies more on intuition than logic, an idealistic actually. Also, just like Vanilla, I can mix well with other "flavors".
