1. ADMISSIONS & DEADLINES

What are the admissions requirements and deadlines for being generally admitted to the University? Are there any specific admissions requirements for this program? If there is a website that lists this information please include that below.

Admission Requirements

The admission requirements for the Bachelor of Science in Nursing degree offered through the School of Nursing's Division of Post-licensure Nursing are as follows:

- Proof of high school graduation or GED certification.
- Original transcripts from all previous college or university study at regionally accredited colleges or universities or an institution accredited by the Association for Biblical Higher Education.
- Associate degree with a major in Nursing.
- Prior completion of at least 60 transferable credit hours from a regionally accredited college or university or an institution accredited by the Association for Biblical Higher Education is required before the student is eligible to start a bachelor core program.
- A maximum of 40 hours of credit may be earned through the assessed learning process toward the required 60.
- Applicants from a state board of nursing approved school of nursing (diploma or proprietary school of nursing) who have passed the NCLEX-RN exam may be eligible to apply for credit through the evaluation process. A maximum of 40 credit hours awarded may be counted toward the required 60. This applies only to students applying to the Nursing program.
- Proof of current **unencumbered** RN licensure;
- An overall grade point average (GPA) of 2.0 from all previous study. If an applicant's GPA is below 2.0, the student may be admitted on a probationary basis, as established by the guidelines of the college.

Bachelor of Science

- All individual core courses must be completed with a grade of "C" or better.
- Completion of 30 hours of general education as specified ([General Education Requirements](#)).
- Payment of all tuition and fees is required to receive a diploma.

Program Requirements

- Students must complete each individual core course with a grade of "C" or higher.
- To progress in the major, RNBSN students must have obtained a core GPA of 2.75 by the end of the third course.
- Students must have an RN license that is active and unencumbered at all times during enrollment in the program. Students must have a valid unencumbered RN license in the state(s) of the practicum sites. If students have multi-state licenses, all must be unencumbered. Students may be administratively withdrawn from the program at any point if this status is not maintained.
- A criminal history background check, drug testing, and immunization tracking will be conducted at the student's expense. Practice sites may have additional requirements, e.g., health physical, which will be conducted at the student's expense. Instructions for the criminal background check, drug screening, and immunization tracking will be sent to students by the Division of Post-licensure Nursing. Progression in the program will depend on compliance with and/or the results of these checks.
- RNBSN students may complete the core nursing courses by following the recommended fast-track schedule. It is not recommended that students take more than two core courses at a time. Students who wish to take more than two core courses should contact their academic advisor to determine the potential impact of such a decision.
- Students who take longer than six years to complete the program must petition to continue in the program.
- Students must complete all core courses before taking [NUR-495](#).
