Please provide any additional comments about the information provided above:

There are no program completers as of this reporting year.

Section I.c Enrollment

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled.

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

Additional guidance on reporting race and ethnicity data.

Total number of students enrolled in 2015-16:	39
Unduplicated number of males enrolled in 2015-16:	4
Unduplicated number of females enrolled in 2015-16:	35

Section I.d Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2015-16.

Average number of clock hours of supervised clinical experience required prior to student teaching	100
Average number of clock hours required for student teaching	420
Average number of clock hours required for mentoring/induction support	18
Number of full-time equivalent faculty supervising clinical experience during this academic year	1
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	11
Number of students in supervised clinical experience during this academic year	7

Please provide any additional information about or descriptions of the supervised clinical experiences:

Candidates are required to complete a 12 week, full time supervised clinical student teaching experience as mandated by Ohio's Department of Higher Education. Candidates are placed with a certified Ohio teacher and supervised by both the assigned classroom teacher and a University Supervisor who holds faculty status.

Section I.e Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2015-16. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))

Section II Assurances

Please certify that your institution is in compliance with the following assurances. (§205(a)(1)(A)(iii), §206(b)) Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.

Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

Yes

Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

Yes

Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

NA

Prospective general education teachers are prepared to provide instruction to students with disabilities.

Yes

Prospective general education teachers are prepared to provide instruction to limited English proficient students.

Yes

Prospective general education teachers are prepared to provide instruction to students from low-income families.

Yes

Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

Yes

Describe your institution's most successful strategies in meeting the assurances listed above:

The Early Childhood Education traditional initial teacher licensure program provides candidates with various learning opportunities in meeting the diverse needs of young learners. Course content permits prospective teachers to gain understanding of the content as it relates to meeting the diverse needs of students in various educational settings and situations. The courses provide candidates an opportunity to learn and practice the skills gained before their supervised student teaching.

Candidates develop the ability to effectively teach more holistically and increase student growth during their supervised clinical experiences and their student teaching experience.

Section III Assessment Pass Rates

Assessment code - Assessment name Test Company Group	Number taking tests	Avg. scaled score	Number passing tests	Pass rate (%)
001 -APK: EARLY CHILDHOOD (PK–3) Evaluation Systems group of Pearson Other enrolled students	1			
012 -EARLY CHILDHOOD EDUCATION Evaluation Systems group of Pearson Other enrolled students	1			

Section III Summary Pass Rates

No summary pass rates are available for this program for the current reporting year.

Confirmed

Please provide an explanation:

As of this cycle no program completers are available to report. There are no students in this report cycle who are at the test taking point of the program.

Section IV Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program.

Is your teacher preparation program currently approved or accredited?

Yes

If yes, please specify the organization(s) that approved or accredited your program:

State
NCATE

Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

No

Section V Use of Technology

Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare teachers to:

- integrate technology effectively into curricula and instruction

Yes

- use technology effectively to collect data to improve teaching and learning

Yes

- use technology effectively to manage data to improve teaching and learning

Yes

- use technology effectively to analyze data to improve teaching and learning

Yes

Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

Technology is required throughout the Transition to Teaching program. Emphasis is placed on the use of technology as an instructional tool.

Section VI Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare general education teachers to:

- teach students with disabilities effectively

Yes

- participate as a member of individualized education program teams

Yes

- teach students who are limited English proficient effectively

Yes

Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

Candidates receive instruction on research-based methodologies that are effective in creating positive learning outcomes for all students, including those who have been identified as needing additional educational services and support. Specifically, the course EDUT-572 (Social, Emotional and Behavioral Interventions in Early Childhood) provides instruction on interventions as well as legal mandates established to manage a class with diverse needs.

Does your program prepare special education teachers to:

- teach students with disabilities effectively

NA

- participate as a member of individualized education program teams

NA

teach students who are limited English proficient effectively

NA

Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

The Transition to Teaching program does not prepare specifically licensed Special Education teachers.

Section VII Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card. The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

The Transition to Teaching program is reviewed and approved through the Ohio Department of Higher Education.
