<https://www.indwes.edu/undergraduate/division-of-health-and-human-performance/>

2004-2019 **Professor of AT - Director of ATP - ATP Preceptor**

Primary responsibilities include the oversight of the academic sequencing, operation, and accreditation status of the CAATE accredited Professional Athletic Training Program (Bachelor's Level). Additional responsibilities include instruction of curriculum classes both in the AT major as well as core courses within the Division of Health and Human Performance. Secondary responsibilities include supervision and instruction as a preceptor in the clinical education of AT students in various health care settings. AT health care services provided to all university athletes with primary care to the IWU Men's and Women's XC and Men's and Women's Tennis teams.

2002-2004 **Head Athletic Trainer/ Assistant Professor - ATP Preceptor**

Primary responsibilities include the management of health care services delivered to intercollegiate athletes, instruction of core curriculum classes in the AT major, and coverage of various intercollegiate sports. Responsible for inventory control and management of multiple athletic training clinics. Secondary duties include assisting the ATEP Director with the academic day-to-day operations of the CAAHEP accredited Athletic Training Education Program and supervision and instruction as a preceptor in the clinical education of AT students in various health care settings. AT health care services provided to all university athletes with primary care to the Women's Volleyball, Coed Cheer and Softball teams.

1999-2002 **Assistant Athletic Trainer/ Clinical Instructor - ATP Preceptor**

Duties include assisting the ATP Director and Head ATC with the day-to-day operation of the ATE program. Additional responsibilities include instruction of core curriculum classes in the AT major, supervision and instruction of clinical education and clinical field experiences for AT students. Primary AT health care services provided to all university athletes with primary care to the Men's and Women's Soccer teams, Men's Basketball team, and Baseball and Softball teams. Secondary responsibilities include supervision and instruction as a preceptor in the clinical education of AT students in various health care settings.

Summer 2014-present **United States Olympic and Paralympic Sports Medicine Volunteer**

United States Olympic and Paralympic Committee, Colorado Springs, CO

Primary responsibilities include providing comprehensive sports medicine health care services to the Men’s and Women’s athletes of Team USA. Multiple rotations have been completed at the Colorado Springs, CO Olympic Training Center (Warrior Games included) as well as the Chula Vista, CA Olympic Training Center (now Elite Athlete training Center). Working with a team of allied health care providers, clinical interventions and patient care was delivered through the on-campus sports medicine clinics. Acquisition and ongoing education and training for the WADA, USADA, and SafeSport training has been maintained.

2017-present **Sports Medicine Contractor**, USA Fencing National Governing Body, Colorado Springs, CO

Primary responsibilities include providing comprehensive sports medicine health care services to the Men’s and Women’s Épée, Foil, and Saber Olympic Fencing teams under the coordination of the Director of Sports Medicine for USA Fencing. Working with a diverse group of allied health care providers for domestic and international events, clinicians travel with various teams to provide sports medicine health care services at fencing venues.

2010-2013 & 2023-2026 **Medical Staff/ Athletic Trainer – NAIA Track & Field National Championships**

Indiana Wesleyan University, Marion, IN

Provided athletic training services to all participants at the National Association of Intercollegiate Athletics Track and Field National Championships & Marathon hosted at IWU. Working with a team of allied health care providers, clinical interventions and patient care was delivered through the on-campus sports medicine clinics.

1999-present **Summer Staff Athletic Trainer** - Indiana Wesleyan University Basketball Camps, Marion, IN

Provided AT services to junior high-high school boys and girls basketball camp participants.

Administered first aid treatments and organized inventory of sports medicine supplies.

Coordinated prescription medication administration to camp participants under prescribing physician orders.

2000-2008 **Summer Staff Athletic Trainer** - Taylor University Basketball Camps, Upland, IN

Provided athletic training services to junior high-high school boys and girls basketball camp participants. Administered first aid treatments and organized inventory of sports medicine supplies.

Coordinated prescription medication administration to camp participants under prescribing physician orders.

Summer 2003 **Summer Staff Athletic Trainer** - Valparaiso University Basketball Camps, Valparaiso, IN

Provided athletic training services to junior high-high school boys and girls basketball camp participants. Administered first aid treatments and organized inventory of sports medicine supplies.

Coordinated prescription medication administration to camp participants under prescribing physician orders.

1997-1999 **Clinical Athletic Trainer** for Midwest Sports Therapy, Chillicothe, OH

Duties included performing outpatient orthopedic rehabilitation as well as custom brace fittings for orthopedic injury and surgery patients. Working with a team of allied health care providers, clinical interventions and patient care was delivered through the sports medicine clinic, surgery center, and fitness center. Oversight was provided for the management of DME for both or Ohio Valley Sports Medicine and Midwest Sports Therapy.

1997-1999 **Clinical Coordinator** for Ohio Valley Sports Medicine, Chillicothe, OH

Duties included working with orthopedic surgeon group to develop and implement an outreach athletic training service program for all sports at Ross County, OH area high schools. Additional duties included coordinating sports medicine services to annual Gus Macker basketball Tournaments held in Chillicothe, OH.

1997-1999 **Facility Manager** for Midwest Fitness Center, Chillicothe, Ohio.

Oversaw the day-to-day operation of the fitness center. Coordinated human resource management Of fitness center employees, scheduling, inventory control and budget as well as administration of APEX nutrition program. Provided leadership and structure for individual exercise and fitness programs for fitness center patrons and certified personal trainers.

1996-1999 **Head Athletic Trainer** for Chillicothe High School, Chillicothe, Ohio.

Comprehensive full-time athletic training services to 22 boys and girls interscholastic sports programs. Supervised and instructed high school student aids interested in pursuing sports medicine at the undergraduate level. Collaborated with Ashland University, Ashland, OH and Capital University, Columbus, OH for athletic training student internships for undergraduate athletic training students.

TEACHING EXPERIENCE

1999-present **Undergraduate Faculty – College of Arts & Sciences**

2014-present **Graduate Faculty – College of Graduate Studies** Indiana Wesleyan University, Marion, IN

Passionate educator for 25+ years with robust teaching and service experience invested in bachelors, master's, and doctoral level pedagogy. My desire is to enable students to recognize the connection between learning and experience. I am a strong communicator who can clearly and confidently lecture in a classroom or auditorium setting as well as within the online environment. I have an outgoing, energetic, and motivating personality that encourages in-class participation and shows the value of group-work. I am a leader as well as a team player that is committed to achieving departmental objectives to create an optimal environment for students and faculty to thrive. I have served on numerous elected committees and councils. University accreditation and assessment involvement has been significant.

Undergraduate Courses taught:

ATR 195 Introduction of Athletic Training	ATR 492 Administration of Athletic Training
ATR 196 AT Clinical Education Exp I	ATR 495 AT Practicum IV
ATR 197 AT Clinical Education Exp II	ATR 496 AT Clinical Education Exp VII
ATR 199 AT Practicum I	ATR 497 AT Clinical Education Exp VIII
ATR 225 Lower Extremity Eval & Assess	PHE 101 Concepts to Health & Wellness
ATR 226 Upper Extremity Eval & Assess	PHE 113 Walk, Jog, Run
ATR 231 Advanced Athletic Training	PHE 134 Weight Training
ATR 296 AT Clinical Education Exp III	PHE 210 Technology in Physical Education & Sport
ATR 297 AT Clinical Education Exp IV	PHE/PSY 224 Psychology of Sport and Exercise
ATR 299 AT Practicum II	PHE 229/230 CPR & First Aid
ATR 331 Therapeutic Exercise & Rehab	PHE 248 Intercultural & Social Issues in Sport Sciences
ATR 350 Seminar in Athletic Training	PHE 341 Team Sports
ATR 396 AT Clinical Education Exp V	PHE 352 Sports Law & Risk Management
ATR 397 AT Clinical Education Exp VI	PHE 366 Alcohol and Drug Education
ATR 399 Athletic Training Practicum III	PHE 420 Sport Marketing, Promotion & Fund Raising
ATR 410 AT & Sports Medicine Internship	PHE/SMG 371 Administration of PE & Sport
ATR 431 Recognition of Medical Conditions	REC 460 Facilities: Design, Planning, Maintenance, Scheduling, & Management
ATR/ EXS 440 Pharmacology & Therapeutic Medications	UNV 180G Introduction to World Changers
ATR 450 Senior Seminar in Sports Medicine	

Graduate Courses taught:

ATR 502 – AT Clinical Education Exp II
ATR 503 – AT Clinical Education Exp III
ATR 510 – Preventative Strategies and Emergency Management
ATR 525 – Therapeutic Intervention I: Physical Agent Modalities
ATR 525L – Therapeutic Intervention I: Physical Agent Modalities Lab
ATR 535 – Therapeutic Intervention I: Rehabilitative Exercise
ATR 535L – Therapeutic Intervention I: Rehabilitative Exercise Lab
ATR 548 – Health Care Administration in Athletic Training – Hybrid format: online/onsite
ATR 560 – Adv. Prevention and Emergency Management Techniques – Hybrid format: online/onsite
ATR 570 – Leadership and Management in Athletic Training – 100% online
ATR 588 – Epidemiology in Athletic Training – 100% online

January 2024-present

Adjunct Faculty – Department of Rehabilitation and Human Performance

Mount Sinai Hospital – Icahn School of Medicine at Mount Sinai, New York, NY

November 2019-November 2024

Adjunct Graduate Faculty – Department of Health Sciences in the School of Health

University of South Dakota, Vermillion, SD

January 2012-present

Regular Guest Faculty Lecturer – College of Arts and Sciences
Indiana Wesleyan University, Marion, IN

Undergraduate Courses:

NUR 337/213 – Pathophysiology PHE 170 – Introduction to Exercise Science PHE 423 – Adaptive Physical Education
--

Summer 2017 & Summer 2019

International teaching experience - Faculty Lecturer – College of Arts and Sciences
Indiana Wesleyan University, Marion, IN

Undergraduate Courses:

PHE 113 – Walk, Jog, Run, PHE 101 – Concepts of Health and Wellness
--

Traveled with a group of undergraduate students to Germany (Munich, Nurnberg, Berchtesgaden, Hohenschwangau, Oberammergau, Berlin), Austria (Salzburg), and France (Paris). These courses were offered in conjunction with SOC 210 – Inter-Group Relations taught by Brian Fry, PhD.
