

## JEFF AIR FLIGHT TRAINING COST SHEET

**COST ESTIMATE** (July 1, 2026 through June 30, 2027)

| Course No.             | Course Title                                                                                                                                 | Ground School Fee | Expected Flight Hrs | Flight Training Fee Level 1 |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|-------------------|---------------------|-----------------------------|
| AVP-101                | Private Pilot Airplane Single Engine Land (ASEL) Certification: Ground School & Testing                                                      | \$474.00          | NA                  | NA                          |
| AVP-102 or AVP-103/104 | Private Pilot Airplane Single Engine Land (ASEL) Certification: Flight Training & Testing                                                    | NA                | 60.0                | \$22,714.00                 |
| AVP-111                | Airplane Single Engine Land (ASEL) Instrument Rating: Ground School & Testing                                                                | \$474.00          | NA                  | NA                          |
| AVP-112 or AVP-113/114 | Airplane Single Engine Land (ASEL). Instrument Rating: Flight Training & Testing                                                             | NA                | 50                  | \$19,824.85                 |
| AVP-201                | Commercial Pilot Airplane Single Engine Land (ASEL) Certification: Ground School & TestingPart 1                                             | \$474.00          | NA                  | NA                          |
| AVP-202                | Commercial Pilot Airplane Single Engine Land (ASEL) Certification: Flight Training & TestingPart 2                                           | NA                | 75.0                | \$19,492.00                 |
| AVP-203                | Commercial Pilot Airplane Single Engine Land (ASEL) Certification: Flight Training & TestingPart 3                                           | NA                | 45.0                | \$18,012.10                 |
| AVP-211                | Certified Flight Instructor Airplane Single Engine Land (ASEL) Certification: Ground School &Testing                                         | \$2,950.00        | NA                  | NA                          |
| AVP-212                | Certified Flight Instructor Airplane Single Engine Land (ASEL) Certification: Flight Training &Testing                                       | NA                | 25.0                | \$14,638.00                 |
| AVP-213                | Certified Flight Instructor Airplane Single Engine Land (ASEL) Certification, Instrument Rating: Ground School and Flight Training & Testing | NA                | 15.0                | \$10,967.70                 |
| AVP-221                | Commercial Pilot Airplane Multi-Engine Land (AMEL) Certification: Ground School and FlightTraining & Testing                                 | NA                | NA                  | NA                          |

Note: Costs may vary at some Jeff Air locations.

### AIRCRAFT RENTAL RATES FOR ADDITIONAL FLIGHT TRAINING

| AIRCRAFT              | PRICING   |
|-----------------------|-----------|
| Diamond DA-20         | \$175/hr. |
| Diamond DA-40 (TAA)   | \$245/hr. |
| Cirrus SR-20          | \$385/hr. |
| RedBird FMX Simulator | \$95/hr.  |

### INSTRUCTOR RATES FOR ADDITIONAL FLIGHT TRAINING

| INSTRUCTION                                              | PRICING  |
|----------------------------------------------------------|----------|
| Individualized Ground School/Pre-Post Flight Instruction | \$75/hr. |

### VA Funding Limits:

- The VA will not fund any ground or flight training toward the Private Pilot Certificate.
- The VA will not fund ground training beyond 30 hours or flight training beyond 35 hours for the Instrument Rating.
- The VA will not fund ground training beyond 35 hours or flight training beyond 120 hours for the Commercial Certificate.
- The VA will not fund the cost for FAA Practical Exams, \$800+ per rating or certificate.
- The VA may limit annual funding, based on years of service and other factors.

### RIGHT RESERVED TO CHANGE

The right is reserved to change any of the rules and regulations of the University at any time, including those relating to admission instruction, and graduation. The right to withdraw curricula and specific courses, alter course content, change the calendar, and impose or increase fees is similarly reserved. Estimated costs as of July 1, 2025
