

WhichWay

## User Guide

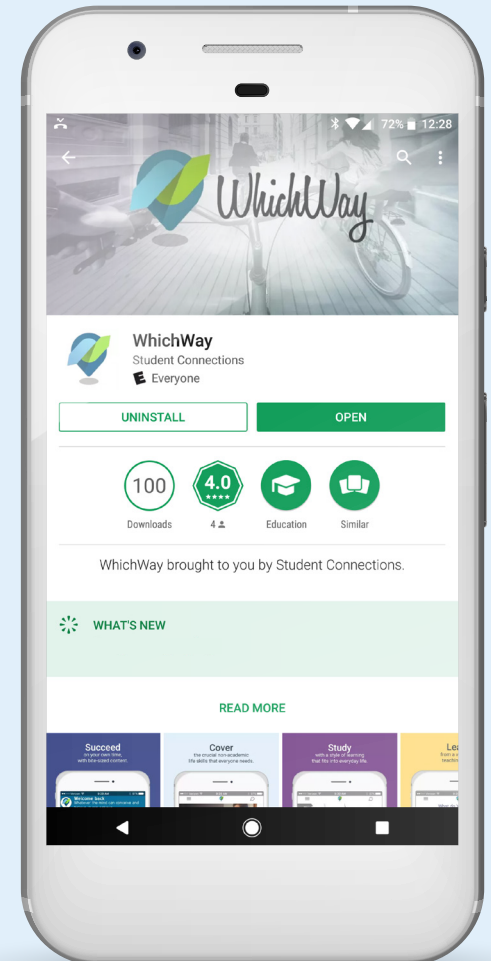

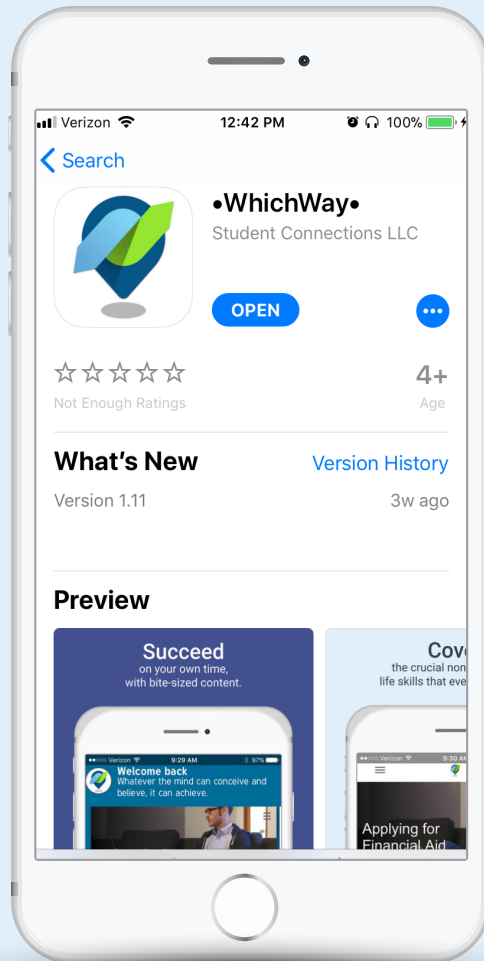

WhichWay is an interactive app that offers you advice for managing your time and money wisely while on campus and after graduation. This User Guide provides basic information about the tool and outlines the steps necessary to access and complete the module(s).

# Get WhichWay

New users are required to complete a simple, one-time registration process. Once you complete the initial registration process, only your username and password are required for future visits. To get started, download the app from your smartphone.
