

As a student transferring to Indiana Wesleyan University from another school, it is possible that a portion of your Federal Student Aid eligibility for the 2021-2022 award year has already been awarded. In accordance with federal regulations, a student typically may receive Federal Student Aid from only one institution at a time. To ensure that your Federal Student Aid is awarded correctly and in compliance with these federal regulations, please complete the release information below and **present this form for completion at the institution you previously attended.**

To be completed by the student.
