2022-2023	4	IP	IP	IP
2023-2024	5	IP	IP	IP

FT=Full-time

IP=In Process: Students from the cohort listed have yet to graduate from the cohort year listed.

Programs are only required to provide data on the past 8 years/cohort or since the program was initially accredited, whichever is shorter.

* Graduation Rate is the program's Advertised Length of Completion which is how long the program is designed to complete as written.

** Job Placement Rate is the percentage of graduates from the cohort year that are employed utilizing skills learned in the COAMFTE accredited program.

*** Licensure rate is the percentage of graduates from the cohort year that have achieved ANY level of MFT licensure.

For Master's programs only, COAMFTE has established a benchmark of 70% licensure rate for each cohort.

+ No students entered the program.

++ 1 student dropped from program after getting married, 1 student was academically suspended; 1 student stepped out due to illness, and returned to finish within max time (18 semesters); 1 student slowed down and took 10 semesters to complete program

+++1 student dropped due to financial reasons; 2 student slowed down and graduated within 13 & 15 semesters; 6 students finished within 8 semesters

++++ 2 students changed programs; 3 students chose to slow-down due to personal reasons and completed the program in 8, 9, & 10 semesters

+++++ 4 students changed majors; 1 student slowed down and took 10 semesters to complete; 5 students slowed down for personal reasons and are still in the program (advertised length has passed but not maximum length for completing).

++++++1 moved out of state and had to drop program; 1 still in the program (had to slow down due to work); 3 changed major; 1 student slowdown due to work and took 6 extra semesters; 1 student took 1 extra semester; 1 student left program during 1st year.

~1 student dropped within 1st semester; 1 student withdrew due to family issues after 1st year; 1 student graduated in 10 semesters (3 more than advertised time); 1 student graduated in 9 semesters (2 more than advertised); 2 students are still in the program.

~2 graduates are licensed; 1 graduate just graduated December 2023 and is not eligible for licensure; 5 remaining graduates had temporary licenses that expired within the last few months. All were contacted for follow-ups. 1- needed special accommodations and is waiting to retake the licensure exam; other 4 graduates have not responded to attempted communication at the time this report was submitted.
