MASTER OF SCIENCE IN NURSING

PRIMARY CARE NURSING

PSYCHIATRIC MENTAL HEALTH
NURSE PRACTITIONER

SERVE YOUR PATIENTS PHYSICALLY AND SPIRITUALLY.

Expand your nursing knowledge and deepen your impact on patients. The Master of Science in Primary Care Nursing with a Psychiatric Mental Health Nurse Practitioner specialization prepares you to advance your career by serving patients with diverse needs and backgrounds. IWU's faith-integrated approach enables you to serve patients spiritually and physically. Our program provides:

- Online program with minimal onsite requirements, such as residencies, health assessment course, and practicum hours
- Opportunity to do live OSCE psychiatric evaluations with trained actors
- Christ-centered perspective on mental health

YOU'LL LEARN TO...

- Provide care for diverse populations with psychiatric mental health needs
- Collaborate with interprofessional healthcare teams and community organizations to provide care for individuals with multiple health needs
- Serve as an advocate for vulnerable populations with psychiatric mental health conditions

FEATURED COURSES

- Professional Role Development for the Advanced Practice Nurse
- Neuro-Psychopharmacology
- Psychotherapeutic Modalities Across the Lifespan

CAREER OPPORTUNITIES

- Psychiatric Nurse Practitioner
- Nursing Professor
- Travel Nurse
