

2023-2024 UNUSUAL CIRCUMSTANCES: APPEAL FOR DEPENDENCY OVERRIDE

If you feel you should be considered independent after answering “no” to all questions regarding your dependency status in Step 3 on the FAFSA, you may request a review of your circumstances. Complete this form and submit it to the Financial Aid Office along with all requested supporting documentation. Circumstances are reviewed per award year. The timeframe for which we will consider exceptions for the 2023-2024 award year is July 1, 2023 – June 30, 2024. We must have a complete, valid FAFSA on file before we can review special circumstances and re-evaluate your student financial aid package.

Important: Unaccompanied Homeless (or Self-Supporting and at Risk of Being Homeless) Youth Determination

- If you are 21 years of age or younger, please review the last three dependency status questions on the FAFSA regarding an unaccompanied homeless (or self-supporting and at risk of being homeless) youth determination. If appropriate, make a correction to one of them.
- If you are: 1) 21 years of age or younger and do not have and cannot get documentation showing the determination, or 2) 22-23 years of age, and 3) feel you meet the qualifications of an unaccompanied homeless (or self-supporting and at risk of being homeless) youth determination, please complete the Unaccompanied Homeless Youth Determination form.
