SLINGSHOT INFO

If you want to help your child find the most economical way to purchase books, encourage them to log in to indwes.slingshotedu.com and sign in to their account (IWU email and password).

Navigate to "Buy Books" and if your child is registered for classes, you should see their book list for first semester there. Make sure you choose method of delivery (buy/rent/digital). But also use the ISBN numbers provided to price books on Amazon, Abebooks and Thriftbooks. You MIGHT find less expensive options if you want hardcopies.

You can opt-in or opt-out of Slingshot. There are some great perks with the service. Dorm room book delivery is one. But if you find a cheaper option on a book, make sure your child **doesn't break the seal** on the book and they can return it for a full refund to the campus store. Also, you can pay by credit card or charge to your student's account. If charged to the account, you can do the extra math now to know how much more you'll need for payment plan/purchase cost!
