Grand in Sixty!

For the past 4 years we have held an event called Grand in Sixty, where students are encouraged to pitch a business idea at any stage in just 60 seconds. This year we will be holding the event in a hybrid format. Presenters will still be able to pitch their idea in front of judges live, but the event will be streamed so that we can still capture an audience vote. Register at the link below by April 14:

<https://www.indwes.edu/undergraduate/division-of-business/grand-in-sixty>

We need an audience! View the event at the following website at 7:00 pm on April 19. You will be able to vote in the polling section at the end of the pitches!
