## Meet the Firms Virtual Platform!

Every February, the DeVoe Division of Business hosts a Meet the Firms event for all Accounting students. This year the event is now a virtual platform. Nineteen different firms and organizations have submitted their recruitment information online for students to view and reach out to the firms. While we wish we could provide this opportunity in person, we feel that this is the next best thing for students to continue to be in contact with accounting firms. Click on the link below to read and hear more!

Professor Payne was recognized in a Community Meeting by Dr. Rod Reed for his involvement with the Marion community. Professor Payne, his Strategic Marketing class, and his Selling & Relationship Class have worked on a marketing plan for Afena Credit Union and a Sales Analysis for Northwestern Mutual. He will also be speaking in Chapel on February 10! Thank you Professor Payne for giving back to our community and campus!
