

business MATTERS

The DeVoe Division of Business Newsletter

January

Happy New Year!

We feel fortunate to be back on campus to offer in person classes. We will do our best to communicate with you in class and through announcements the efforts we are making to ensure you stay safe and healthy, but also teach our business disciplines. Here are some tips for students to help us ensure that as well:

- ✓ Properly wear a mask in your classes.
- ✓ Take care of yourself. Get rest and practice good hygiene.
- ✓ Complete your Campus Clear App every day.
- ✓ Communicate with your professors if you are not feeling well.
- ✓ If you are ill and are attending class via Zoom, continue to participate with the rest of the class. Comment, ask questions, and engage!
