New Student Registration

New Student Registration is part of Admitted Student Weekend that takes place March 19-20. We will be hosting 400 new students this weekend to register them for classes and introduce them to life at Indiana Wesleyan University. Some of you may be helping with activities or hosting incoming students in your rooms. While this is a fun weekend for all, it also makes this week very important. Please make sure you are registered for the courses you want to take in the fall! After registration on Saturday, many of the courses you may need may be closed. Make it a point this week to clear any holds you may have, meet with your advisor, and register for courses! Registration for current students has been open since mid-February so that you have the opportunity to get this done before incoming students.
