# MEET THE FIRMS

DeVoe  
DEVOE DIVISION OF BUSINESS  
INDIANA WESLEYAN UNIVERSITY

On November 9, we held our second Meet the Firms with Ranjy Thomas and Servant.io. We had 4 students participate in virtual meetings with senior executives to gain information and connections with companies like The Chosen, YouVersion, KLove, CCLI, Subsplash, Nike, and Servant as a whole.

On November 14, we held an additional Meet the Firms night with a focus on Finance firms. Finance students were invited to introduce themselves and network with firms such as Brotherhood Mutual, Northwestern Mutual, Auto-Owners, Red Gold, Summit, DFAS, and Ron Blue Trust.

Thank you to the students who stepped out and attended these events! We are proud of you!
