MAT 485 - Internship Program
Student Evaluation of Employer

To: MAT 485 Students

To help insure that future IWU math interns are suitably prepared for work with your employer, we ask that you provide an overall assessment of your employer and assignment. You may share this evaluation with your employer if you wish. To ensure your assignment of academic credit, please complete the form upon conclusion of your work assignment and promptly return to the MCIS Division Chair.

Thanks,
